Harbour placing at Hankø Yacht Club

Enclosed you will find the harbour placing at Hankø Yacht Club, effective from Sunday July 1st at 18:00. Remember that the piers at HYC are reserved for yachts participating in Hankø Race Week until this time. The Farr40s will arrive at HYC between Sunday afternoon and Tuesday afternoon, minor adjustments in mooring will be allowed these days for practical reasons. Please follow the instructions given by the HYC Harbour Master.

Van/trailer parking at Vikane, incl power supply

Parking these vehicles will be directed and supervised by representatives from the organizers. Each team should indicate whether they require permanent power supply, occasional power supply, or no power supply. The use of electrical power will be charged through the organizer (KNS). If there is no representative from the organizer present when you arrive at the parking lot, please call shore manager Ivar Gilså at +47 974 67 089 to announce your arrival and get the necessary instructions.

Charge cards at Hankø Yacht Club

Hankø Yacht Club is the obvious place to have a snack and/or a beer after racing. Every yacht will be offered 10 charge cards to ease the handling of payment. Refer to information given upon registration. Hankø Yacht Club offers dinner every day of the week, except Thursday when there will be an owner's dinner at the Club.

Further information

The organizer will give further information during registration at Hankø Yacht Club. Information will also be posted at the official notice board at HYC.

Airport coach

A traveling tip, especially if you don't want to rent a car to have it parked at Hankø all week, is to take the express bus from Oslo Airport Gardermoen. Look for the buses and line "F11 Fredrikstad". The trip from the airport takes just over two hours, buses are comfortable and almost always exactly on schedule. The fare is NOK 240,- each person - VISA, MasterCard, AmEx and Diners accepted. Ask the bus driver if he can arrange a taxi from Skåra, which is just 10 minutes drive from Vikane and Hankø. Fredrikstad Taxi has phone 02600 (available from Norway only). If you consider using the airport coach, see timetable below. Website: www.flybussekspressen.no, also available in English.
